

Resolution No. 11

GA-2017-86-RES-11

Subject: Proposal for a foundation to provide support to the families of police officers who have lost their lives in the line of duty

The ICPO-INTERPOL General Assembly, meeting in Beijing, China, from 26-29 September 2017 at its 86th session:

CONSIDERING that each year, police officers from all over the world are killed in the line of duty and that, in addition to having to cope with the loss, in some cases, families will be left to deal with severe economic consequence, if no support mechanism is in place,

CONSIDERING that INTERPOL's name and reputation could contribute in providing assistance to those bereaved families through a partnership with a foundation whose scope would cover all INTERPOL member countries and whose mission would be to raise awareness among civil society and the general public about this issue and provide financial and other forms of support to those families,

CONSIDERING that this foundation and INTERPOL would need to ensure that the modalities of their partnership are clearly defined in an agreement,

BEARING IN MIND the Guidelines on INTERPOL's Relations with Foundations and Similar Institutions adopted by the General Assembly (Resolution AG-2013-RES-08), which require in particular, that such an agreement be subject to the prior approval of the General Assembly,

HAVING examined Report GA-2017-86-REP-14,

TASKS the General Secretariat with assessing and developing the appropriate framework and modalities for INTERPOL to provide its support to this honourable cause through an agreement between INTERPOL and the appropriate foundation, along the lines set forth in Report GA-2017-86-REP-14;

AGREES, if necessary, to INTERPOL's involvement in the administrative establishment of a new foundation, including, if need be, a financial contribution to the set-up costs, to be defined by the Executive Committee;

DELEGATES to the Executive Committee the approval of the draft agreement between INTERPOL and the appropriate foundation;

AUTHORIZES the Secretary General to sign the agreement between the appropriate foundation and INTERPOL after its approval by the Executive Committee;

ASKS the Executive Committee to report to it on the implementation of this resolution.
